

Environmental Policy

McGowans Digital Print is committed to operating in an environmentally responsible manner and to continuously improving our environmental performance. Our Environmental Policy is designed to ensure that we comply with relevant legal and regulatory requirements and to support our goal of minimizing our environmental impact through sustainable practices.

1. Commitment to Environmental Protection

We are dedicated to integrating environmental considerations into our business practices and decision-making processes. This commitment includes:

- Minimizing our environmental impact by reducing waste, conserving resources, and lowering emissions.
- Complying with all applicable environmental laws, regulations, and standards.
- Implementing practices that reduce energy consumption, promote recycling, and encourage the use of sustainable materials.
- Actively address climate change by implementing strategies to reduce greenhouse gas emissions, support renewable energy initiatives, and promote sustainable practices throughout our operations and supply chain.

2. Environmental Objectives

Our environmental objectives are aligned with our business goals and focus on key areas of improvement:

- **Energy Efficiency:** Implementing measures to reduce energy consumption across all operations.
- **Waste Reduction:** Reducing, reusing, and recycling materials to minimize waste production.
- **Sustainable Materials:** Sourcing and using environmentally-friendly materials and reducing reliance on non-renewable resources.
- **Pollution Prevention:** Preventing pollution by managing and controlling emissions and effluents effectively.
- **Employee Engagement:** Promoting environmental awareness among employees and encouraging sustainable practices both at work and in their personal lives.
- **Climate Change:** Effectively mitigate and combat climate change

3. Continual Improvement

We are committed to continually improving our environmental management system by:

- Regularly reviewing and updating our environmental practices to ensure their effectiveness.
- Conducting internal and external audits to assess performance and identify opportunities for improvement.
- Setting measurable targets and objectives to track progress and drive improvements in our environmental performance.

4. Responsibility and Accountability

The management team at McGowans Digital Print is responsible for the implementation of this policy and for providing the necessary resources and support. All employees are expected to adhere to our environmental practices and contribute to our sustainability efforts.

5. Communication and Review

We will communicate this policy to all employees and relevant stakeholders and ensure that it is available to the public. This policy will be reviewed periodically to ensure its continued relevance and effectiveness, and updated as necessary to reflect changes in our operations or environmental requirements.

6. Compliance

McGowans Digital Print is committed to meeting or exceeding environmental compliance obligations and addressing any non-conformities that may arise.

By adhering to this Environmental Policy, McGowans Digital Print aims to achieve operational excellence while protecting the environment for future generations.
